

REPORT

6th International Conference on Advances in Management & Technology (ICAMT-2026)

Theme: *From Data Intelligence to Cyber Defense: Integrative AI for Empowering the Digital Future*

Date: 6th February 2026

Mode of Conduction: Offline

Venue: Auditorium, Riaan Tower, Sadar, Mangalwari, Nagpur

The 6th International Conference on Advances in Management & Technology (ICAMT-2026) was successfully organized by **Sadabai Raisonni Women's College, Nagpur**, an autonomous institution accredited with NAAC 'A' Grade and affiliated to SNT Women's University, Mumbai.

The conference was conducted in academic collaboration with the **National Level Association of All Computer Science Teachers (AACST)**, whose association significantly enhanced the academic outreach, professional engagement, and national-level visibility of the event.

Objective of the Conference

ICAMT-2026 aimed to provide a scholarly platform for researchers, academicians, industry experts, and students to exchange ideas and present research findings in the domains of Computer Science, Information Technology, and Management Studies.

The conference focused on integrating technological innovation with strategic management practices, particularly in the areas of Artificial Intelligence, Cybersecurity, Data Science, Quantum Computing, IoT, Cloud & Edge Computing, Digital Transformation, FinTech, Ethical AI, and Business Intelligence.

Research papers were invited in IEEE format, and selected papers were recommended for publication in peer-reviewed journals indexed in SCOPUS/Web of Science, reflecting the academic rigor of the conference.

Participation

The conference witnessed participation from over **250 delegates**, including research scholars, faculty members, postgraduate students, and industry professionals.

The blend of academic and industry representation enriched the discussions and broadened interdisciplinary engagement.

Inaugural Function

Distinguished dignitaries graced the inaugural session:

Chief Patron:

Mr Sunil Raisoni
Hon'ble Chairman, Raisoni Group of Institutions

Patron:

Mr Shreyas Raisoni
Hon'ble Executive Director, Raisoni Group of Institutions

Chief Guest:

Shri Mr Lohit Matani, IPS
Deputy Commissioner of Police, Cyber Cell, Nagpur City Police

Guest of Honour:

Dr Meena Rajesh
Vice-Chancellor, G H Raisoni University, Chhindwara

Keynote Speaker:

Dr Mohammad Atique Mohammad Junaid
Professor & Head, Department of CSE
Sant Gadge Baba Amravati University, Amravati

The keynote address emphasized responsible AI innovation, cybersecurity preparedness, and the need for interdisciplinary research to address contemporary digital challenges.

Technical Sessions

The conference was structured into two major tracks:

Track 1: Recent Innovations in Computer Science

- Artificial Intelligence and Generative Systems
- Cybersecurity, Privacy & Digital Trust
- Data Science, Analytics & Edge Intelligence
- Quantum Computing & Post-Quantum Algorithms
- IoT & Smart Environments
- Cloud, Edge & Distributed Computing
- Extended Reality (XR), Metaverse & Spatial Computing

Track 2: Innovations in Management

- Strategic Data Intelligence & Decision Sciences
- AI-Driven Business Transformation
- Cybersecurity Management & Risk Governance
- Digital Transformation & Sustainable Development
- Ethical AI & Human Capital
- Innovation, Start-ups & Entrepreneurship in the AI Era
- FinTech, RegTech & Digital Economy

Session Chairs

- Dr Gopal Sakarkar – MIT World Peace University, Pune
- Dr Ravindra Gharpure – Central Institute of Business Management Research & Development, Nagpur
- Dr Avinash Manwar – Sant Gadge Baba Amravati University, Amravati
- Dr Parag Kaveri – Symbiosis Institute of Computer Studies and Research (SICSR), Pune
- Dr Aruna Chamatkar – Kamla Nehru Mahavidyalaya, Nagpur

Insightful presentations, constructive discussions, and meaningful academic exchange marked the sessions.

Organizing Leadership and Committees

The conference was organized under the dynamic leadership of:

Conference Chair:

Dr Amina Vali
Principal, Sadabai Raisoni Women's College, Nagpur

Co-Conference Chair:

Dr Suruchi Pimple
Registrar, Sadabai Raisoni Women's College, Nagpur

Convener:

Dr Akanksha Budholiya
Assistant Professor, Sadabai Raisoni Women's College, Nagpur

Organizing Chairs

Dr Prachi Sasankar
Dr Purnima Rai
Dr Rozina Naz
Ms Anindita Kundu
Ms Ashwini Ankar
Ms Lekha Thawkar
Mr Noorul Amin
Ms Shweta Kanojia

Technical Program Chairs

Ms Priyanka Mandave
Ms Khushboo Verma
Ms Anita Barla
Ms Rida Idris Shaikh
Ms Akanksha Dongre

Ms Shivani Chauhan
Ms Huzaifa Naz

The seamless coordination among organizing and technical teams ensured systematic paper review, structured scheduling, and smooth execution of all conference activities.

Under the guidance of **Dr Amina Vali**, the conference maintained high academic standards and a forward-looking vision. **Dr Akanksha Budholiya's** meticulous coordination ensured effective communication, planning, and implementation. **Dr Suruchi Pimple** provided essential administrative and institutional support that strengthened governance and operational efficiency.

AACST Collaboration

A significant highlight of ICAMT-2026 was its academic collaboration with the **National Level Association of All Computer Science Teachers (AACST)**.

AACST's involvement broadened the conference's academic footprint by connecting a network of computer science educators, researchers, and institutions across the country. The collaboration enhanced scholarly participation, strengthened research dissemination, and reinforced the shared commitment to advancing excellence in Computer Science education and innovation.

The partnership reflects AACST's mission to promote quality research, encourage professional networking, and foster academic–industry collaboration at both national and international levels.

Conclusion

ICAMT-2026 concluded successfully with active intellectual engagement, high-quality research presentations, and meaningful interdisciplinary discussions. The conference effectively integrated technology and management perspectives, reflecting the evolving demands of the digital era.

Through the collaborative efforts of Sadabai Raisoni Women's College and AACST, the event served as a vibrant academic platform that promoted innovation, research excellence, and professional growth.

Glimpse of Workshop:

ON Advances in Management and Technology (ICAMT) 2026
